REALTEK 4U NETWORK RACK

Description

Realtek 4U Wall Mount Cabinets are perfect for holding and protecting your electronic valuables. These wall mountable enclosures are constructed of ST12 steel and are powder coated using ICI high density lead-free static powder. Each model features a solid rear panel with mounting holes, punch outs on the top and bottom panels for easy cable installation, and vented side panels to keep equipment running cool.

Realtek: RT-4U-NR
